

INDIAN RUNNER DUCK ASSOCIATION

The Association has been set up by established breeders of Indian Runners primarily to look after the interests of these very special ducks. It aims to help those who keep, breed or exhibit Runners.

During the course of a year there will be two news letters and a year book containing specialist articles on management, breeding, incubation, exhibition and the complex history of this remarkable duck.

Awards will be made at many of the principal shows.

The Subscription for the UK is £7.00 per head per annum. EU membership and the rest of the world £10.00, due to higher postal charges. Payment should be by cheque or bankers order in £ sterling.
